

PILE UP

Safety Bleach and Brightener

PILE UP is a multi-purpose safety bleach and oxygenator. PILE UP is the most power packed oxygen bleach on the market. It is the ideal laundry safety bleach that cleans and neutralises the most persistent stains while protecting and rejuvenating the most delicate color fabrics. PILE UP is also the most effective carpet cleaner and brightener, ideal for extraction and also as an oxygenator in bonnet cleaning of both wool and synthetic fibers.

HOW TO USE:

LAUNDRY SAFE BLEACHING: Add 100gms (1/2 cup) per 10kg of dry weight of laundry to clean and brighten and remove tannin stains.

INFECTIOUS LINEN: After washing linen, use PILE UP and wash for 8 minutes at 70 degrees with a dilution of 10gms per 1 litre of wash water. As an oxygenate in bonnet buffing, dilute 150gms to 15 litres of hot water. PILE UP can be used for both extraction and foam cleaning of carpets. Just add to cleaning solution.

LIGHT SOIL CLEANING: Dilute 1 part to 100 parts water, e.g. 200gms (1 metric cup to 20 litres water)

HEAVY SOIL CLEANING: Dilute 1 part to 75 parts water, e.g. 200gms (1/2 metric cup to 20 litres water).

FEATURES

Concentrated
Fast Acting
Multi-purpose
Oxygen releasing bleach

ADVANTAGES

High dilution rates
Saves time
Reduces Products
Does not damage fabrics

BENEFITS

Economical
Saves money
Cost saving
Safe

SPECIFICATIONS:

Colour: White Powder

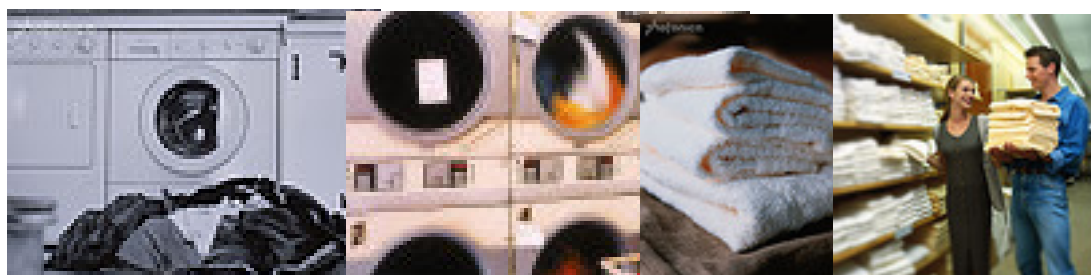

Excellent Hard Water Tolerance

Flammability: Non Flammable

Odour: Odourless

Rinsability: Complete

Biodegradability: Fully
